Agency Partner

Take Your Agency Further

At Amwins Connect, we're committed to providing brokers with the best medical & ancillary products and services across the US.

Our full suite of technology, products, and services will support your firm in today's competitive marketplace, help you grow your agency faster, and retain clients well into the future. As Amwins Connect, our mission is to seamlessly connect every point of the benefits journey for our brokers with continuous innovation and extraordinary service from passionate people.

Faster Underwriting

Our connections with carrier partners, like real-time EDI, make for faster approvals! The Amwins Connect underwriting team will leverage relationships and go the extra mile to get your groups approved quickly.

Reliable and Accurate Quotes Instantly

As a benefits consultant, you want to provide a comprehensive benefits package that is innovative, competitive, and cost-effective for the employer and employee.

- Free online access to Health Insurance quoting and enrollment with Benefix
- Products from top National Ancillary Insurance Carriers
- Fully Insured, Level Funded & Self-Insured available
