* The contract code is an internal code that is used to identify the plan.

** These plans have a different per-member deductible amount, depending on whether the subscriber is enrolled as self-only, or has enrolled dependents within the plan. Plans have been designed in this manner to comply with both AB1305 and IRS minimum deductible and out-of-pocket maximum requirements for embedded high-deductible health plans.

All product offerings are subject to regulatory review and approval.
