- * Eligible Employee use this definition to determine which employees are eligible to enroll, and remain enrolled, in coverage. An eligible employee is an employee who:
- (Full-time) Is a permanent employee who works on a full-time basis in the conduct of the business of the employer, whose duties are performed at the employer's regular place(s) of business, working an average of 30 hours per work week, and who has met any statutorily authorized waiting period; or
- (Part-time) Meets all the conditions set forth in the first bullet except works at least 20 hours but no more than 29 hours at least 50% of the weeks in the previous calendar quarter, the group offers such employees health coverage and all similarly situated employees are offered such coverage; and
- · Receives monetary compensation in the course of employment (shown through W-2); and
- Is a bona fide employee and a bona-fide employee/employer relationship exists.
- An eligible employee also includes a sole proprietor, spouse, or Domestic Partner of a sole proprietor, or partners of a partnership, or the spouse or Domestic Partner of a partner of a partnership working on a full-time basis at the employer's regular place(s) of business, working an average of 30 hours per work week, when the group meets all small employer eligibility requirements.
- An eligible employee does not include individuals working on a temporary or substitute basis.

3B GROUP ELIGIBILITY

| ☐ Yes ☐ No | Is the group actively engaged in business or service? A "Yes" answer means the business currently provides goods or services. A "No" answer means the business does not currently provide goods or services. |
|------------|---|
| ☐ Yes ☐ No | Was the group formed primarily for the purpose of buying health coverage? A "Yes" answer means the business was established solely to obtain healthcare coverage, not to provide goods or services. A "No" answer means the business was established solely to provide goods or services. |
| ☐ Yes ☐ No | Did the group employ 1-100 employees on at least 50% of its working days during the preceding calendar quarter or preceding calendar year, the majority of whom reside within the state of CA, and in which a bona fide employer-employee relationship exists? |
| ☐ Yes ☐ No | Does your group employ at least one W-2 ("common law") employee listed on the employer's DE 9C, who meets the definition of an "eligible employee", who isn't the sole proprietor, a partner of the partnership, or their spouse or registered domestic partner? |
| | |

Use the method for counting full time employees (FTE) and FTE Equivalents described in Section 4980H(c)(2) of the Internal Revenue Code to determine if the group is a "small employer" under the Small Group Act. A group must employ 1-100 total FTEs, including FTE Equivalents, (not including sole proprietors, partners of a partnership, their spouses or legal domestic partners), to be eligible for a small group health plan at issuance and renewal, in addition to meeting any applicable underwriting criteria such as contribution and participation requirements.

To calculate the number of FTEs and FTE Equivalents:

- FTE: an FTE is an employee who has on average at least 30 hours of service per week, or at least 130 hours of service total, during a calendar month.
- FTE Equivalent: this calculation is to account for employees who average fewer than 30 hours of service per week, who, in combination, are counted as the equivalent of a full-time employee.
- FTE Equivalent employee calculation: combine the number of hours of service of all non-full-time employees for the month (do not include more than 120 hours of service per employee). Divide the total number by 120. If the result is a fraction, round down.

| Total current FTE and FTE Equivalent | If current count is larger than 100, how many employed in prior calendar quarter? | |
|--------------------------------------|---|--|
| ioiai curreni FIE ana FIE Equivaleni | If prior calendar quarter count is larger than 100, how many employed in prior calendar year? | |
| Total current FTE and FTE | Total FTE and FTE Equivalent employed out of state during the prior calendar quarter | |
| Equivalent employed out of state | Total FTE and FTE Equivalent employed out of state during the prior calendar year | |

4 ADDITIONAL GROUP INFORMATION

| ☐ Yes ☐ No | Are all eligible employees being offered health coverage? (Employees who waive coverage on the grounds that they have group coverage through another employer are not counted as eligible employees). |

| ☐ Yes ☐ No | If yes, are you canceling this leasing arrangement and hiring employees? |
| ☐ Yes ☐ No | Is the group a spinoff?* |
| ☐ Yes ☐ No | Is the group a startup?† |

5 EMPLOYER ORIENTATION AND WAITING PERIODS

An employer may impose a bona fide employment-based orientation (affiliation) period for new employees which cannot exceed 30 days. If the employer imposes an orientation period when completing an enrollment form for a new employee, the "date of hire" is the first day after completion of the orientation period.

A waiting period may also be imposed before coverage becomes effective, beginning the first day after any orientation period and not to exceed 90 days.

Choose one of the following options. Coverage for eligible employees will become effective following completion of the waiting period on the day specified.

| | | Effective first of the month following date of hire (if hired on the first of the month, coverage will be effective the first of the following month) |
|-------|------|--|
| | | Effective first of the month following 30 days from date of hire |
| | | Effective first of the month following 60 days from date of hire |
| | | Effective on the 91st day following date of hire (a group may be partially billed when electing the 91st day waiting period) |
| ☐ Yes | □ No | Does the group intend to offer coverage to employees currently in the employer waiting period for the original effective date of the group contract (i.e. one-time waiver of employer waiting period)? |

6 NOTICES AND ELECTRONIC DISTRIBUTION OF MATERIALS

- Summary of Benefits and Coverage (SBC) forms are available for all health plans. These forms summarize coverage and benefits for all plans in a uniform manner. Log in to **blueshieldca.com/policies** to review SBC forms for any plan prior to submitting an application. Once the group's application for coverage is approved, download the SBC form(s) for benefit plans specific to your group at **blueshieldca.com/sbpd** to distribute to employees.
- The group is responsible for the prompt distribution of the Evidence of Coverage booklets and other required coverage notices ("required materials") to covered employees. Electronic versions of required materials are emailed directly to the group administrator. For printed versions of required materials, please contact us at (800) 559-5905.
