

# ease

Ease is benefits and HR software built for insurance brokers and employers. Ease makes it simple to set up and manage benefits, onboard new hires, stay compliant, and offer employees one destination for all their human resources information. Visit [www.ease.com](http://www.ease.com) to learn more.

## Grow

Win new business and expand your clients with technology.

## Protect

Deepen your client relationships with a modernized benefits experience.

## Digitize

One location for all your agency and client information.

*"Culture Insurance has more than quadrupled since we started using Ease and it just keeps getting better for us and our clients."*

- Nathan Craig, Culture Insurance Services

**Ease is the #1 rated  
broker-powered  
ben admin software  
for businesses with  
2-250 employees on  
G2Crowd.com.**

# Why LISI & Ease?

## Access to LISI's Rate Library

You can easily choose rates and medical plans that LISI has made available in their exclusive Ease Online Library. This helps you enroll groups in different medical plans faster and easier from a variety of carriers. LISI also provides benefit information in easy to understand language from the member's perspective, as well as educational videos and links to help members in the decision making process.

## Easily Send Documents

To scale your communication with groups, you can easily share and receive documents within the platform to send information quickly and efficiently.

**TO GET STARTED**

**CONTACT YOUR LISI SALES REPRESENTATIVE**

## LISI Will Set up Your Groups

LISI Sales Representatives will help make the transition to online enrollment easier by setting up your groups for you. LISI's Sales Representatives who are expertly trained on Ease and ACA-Certified can provide guidance, one-on-one platform support, group set-up, and seamless compliance and onboarding assistance.

## Submit Plans with One Click

With LISI's partner portal, you can add completed plans and submit enrollments to LISI with the Easy Submit feature.
