Peimbursement for Non-Network services is based on a percentage of the published rates allowed by Medicare for the same or similar services.

<sup>&</sup>lt;sup>2</sup> When a member of a family unit satisfies the individual Deductible amount for the calendar year, no further deductible will be required for him or her for that calendar year. The per occurrence deductible does not apply to the Annual Deductible.

<sup>3</sup> Member cost share, including office visits, annual deductible, per occurrence deductible, coinsurance and pharmacy, apply to the Out-of-Pocket Limit.

The outpatient per occurrence deductible may be waived for outpatient services received at a network independent, non-hospital-affiliated provider.

 $<sup>^{\</sup>mbox{\tiny 5}}$  No copayment applies to physician office visits for prenatal care.

<sup>&</sup>lt;sup>6</sup> One routine vision exam and one pair of glasses per calendar year for children under age 19.
